Advanced Specialty Camps 2011

Session I: Elite Soccer-Fast Footwork & Dribbling

Dynamic dribblers are needed all over the soccer field. Enhance your dribbling moves and become a more dangerous player. Players will hone their footwork, learn how to beat opponents off the dribble, and how to better protect the ball. Players will be grouped by age and skill level.

Session II: Elite Soccer-Goalkeeping

All goalkeepers are invited to join! Goalkeepers will learn the finer points of one of the hardest positions in sports. The act of saving goals requires a great deal of technical and psychological skill that will be taught in these sessions. Goalkeepers will learn the technical and tactical elements of the position. Players will be grouped by age and skill level.

Session II: Elite Soccer-Finishing & Goal Scoring!

All goal scorers are invited to join! Goal scorers will learn the finer points of scoring goals. The act of scoring requires a great deal of technical and psychological skill that will be taught in these sessions. Players will learn proper shooting technique through fun activities that will inspire them to score goals! Players will be grouped by age and skill level.

"It's the goal of Elite Soccer to create a safe, fun-filled learning environment. Our staff strives for excellence while acting as positive role models for youth players."
